

Year 2 item 8: CEO Performance Appraisal

Hi, I'm Nancy McLuskey. I've been on a library board for nine years and I have been board chair for 6. I'm here to discuss CEO evaluation. Evaluation by its very nature makes people uncomfortable because it is judgmental but it is an essential part of your duties as a library board. Your CEO is entrusted to carry out your direction. Without tools to evaluate progress you cannot know if your wishes are being carried out. Thanks for listening.
