1. Delegation with Mayor

Ryan asked the Mayor for some clarity on exactly what the committee's role is to Council.

Mayor Henderson stated that he feels the committee's role is to be an advisory committee to Council.

Ryan would like to see the committee getting involved in city construction projects earlier, so they can ensure accessible requirements are being met.

Mayor Henderson suggested speaking with Conal Cosgrove regarding getting involved in the planning process earlier.

Ryan expressed the committee's concerns regarding the decision to remove council representation on this committee.

Mayor Henderson discussed the fact that they may get further by doing their bi-annual reports to standing committee.
